 Dev Petty  
 Illustrated by Mike Boldt  
 Ages: 3-7  
 Theme: Animals & Humor

Are you a dog in need of advice? Fear not: Chip the dog is ON IT in this super silly guide to living your best canine life. Chip is seven; he knows things. Like what to eat (important papers, the fancy bird the humans cooked for the fancy dinner, Grandpa's teeth), and what not to eat (bees). He won't get those mixed up, will he?

Pet lovers will see their own goofy fur-friends in Chip's earnest yet ridiculous antics, and readers who love funny animal stories will find their next favorite book buddy in Chip the dog, who's patiently waiting to eat your homework and slobber on your clothes.
