A hilarious original series filled with comics, mischief, and misadventure starring the Hulk! From the mind of New York Times bestselling author and illustrator Jeffrey Brown.

Bruce Banner, AKA the Hulk, is a genius scientist and super hero whose rage-outs have led him to damage way too much public property. After his latest meltdown, Tony Stark arranges a PR move to smooth things over. Hulk will perform community service -- by teaching. Can Banner make it through the school year without destroying everything? And can middle school kids really learn anything when the HULK is their teacher?
